OUR PHYSICIANS

Robert Puchalski, MD, FAAOA

Dr. Puchalski is the founding physician of SCENT and has a special interest in obstructive sleep apnea and rhinology (including allergy). He is board-certified and has proudly serves leadership roles in the AAO-HNS, AAOA, and ENT PAC.

D. Macy Vidrine, MD, FAAOA

Dr. Vidrine is a board-certified otolaryngologist at SCENT specializing in treating the full range of complex pediatric ENT conditions, as well as neonatal/pediatric congenital and acquired airway problems and adult ENT issues.

Nikki L. Emani, MD, FAAOA

Dr. Emani is a board-certified otolaryngologist with extensive experience in ear, nose, and throat care. Her areas of interest include sinus surgery and endocrine (thyroid and parathyroid) problems.

Brian N. Boone, MD, FAAOA

Dr. Boone is a board-certified otolaryngologist with extensive experience in ear, nose, and throat care. His areas of expertise include rhinology, otology, laryngology, endocrine surgery and pediatric otolaryngology.

Walsh Thomas, MD

Dr. Thomas is the managing partner for SCENT and a board-certified Otolaryngology Head and Neck Surgeon. He has a passion for restoring form and function following significant oncologic and traumatic defects of the head and neck.

Adam Abram, MD

Dr. Abram is board certified in Otolaryngology and Facial Plastic Surgery. With over 30 years of experience, he specializes in sinus surgery, rhinoplasty (cosmetic nose surgery), skin cancer surgery, and general pediatric ENT.

Daniel Gerry, MD

Dr. Gerry is a veteran of the US Air Force and board-certified ENT specializing in facial plastic and reconstructive surgery. He treats adults and children for general ear, nose, and throat disorders, with a special interest in facial reconstructive surgery.

Valerie A. Fritsch, MD

Dr. Fritsch is a board-certified otolaryngologist at SCENT. Her research interests include cancers of the neck and throat. She has been published in numerous peer-reviewed journals and publications and has given presentations on neck and throat cancers and ENT-related topics.
